Clark Zaunbrecher

A **F#m**
We are a chosen people, we are a royal priesthood

We are saints of a holy nation, a people belonging to God

A **F#m**
We are the coming kingdom, we are the sons and daughters

D **A**
We are the ransomed generation, delivered from darkness to Light

F#m **D** **F#m** **D**
That we might declare, That we might proclaim
D **A** **A D F#m E D**
The excellencies of His name

A **D** **F#m**
So we worship You in spirit and truth

E **D**
This is the offering You seek

A **D** **F#m**
And we give our lives as living sacrifices

Pure and pleasing to You

A **D** **F#m**
We will take Your praise to every people and place

That all may join in our song (2x) *(Lord we worship...)*
