G D C2

Before You found me

G D C2

My heart and my soul were as dark as the night

G D C2

Harassed and helpless

G D C2 C2

I wandered alone grasping for light

G D C2

A slave to the world

G D C2

I was held captive by shadows and fear

G D C2

Weary and weathered

G D C2 C2

For sin turns to shame and shame to tears

G D Am C G

You came You called You rescued me

D Am C G

You placed new songs of grace in my heart

D Am C G D C2

And I know that I am Yours and You are mine

G D Am C G

Renamed renewed I'm set apart

D Am C G

I'm changed I'm ruined You've stolen my heart

D Am C G D C

And I know that when I awake from this life I will see Your face

A new creation
